### 26. "Samuel Jablon: Unstung" at Freight + Volume

Samuel Jablon, *Death Is Elsewhere* (2018). Courtesy of the artist and Freight + Volume.

Though Samuel Jablon is usually known for creating works made of tiles, mirrors, and glass, the new body of work includes only paintings. Each canvas acts as a discrete object, bearing fractured words that comprise a sort of poem.

97 Allen Street; September 8–October 14, 2018, opening reception 7 p.m.–9:30 p.m.
